South China Insurance Typhoon Warranty

113.01.12(113)華產企字第 006 號函備查

Warranted if either Beaufort Force Scale No.____ or inland typhoon warning is declared by the Central Weather Bureau, the insured Vessels operating within the warning area must proceed immediately to a designated safe shelter and be securely moored there until the typhoon warning has passed. The above scale refers to the Beaufort Scale, which is based upon the average wind speed as declared by the Central Weather Bureau.
