South China Insurance Warehouse, Forwarding Charges

113.07.05(113)華產企字第151號函備查

Notwithstanding any average warranty contained herein, Underwriters agree to pay any landing, warehousing, forwarding and special charges or other expenses and/or particular charges, if incurred, also any partial loss arising from transshipment and loss, damage or expense reasonably attributed to discharge at port of distress for which this policy in the absence of such warranty would be liable.

Also to pay the insured value of any package, piece or unit totally lost in loading, transshipment or discharge.
