## South China Insurance Financial Interest Clause Endorsement

111.07.01(111)華產企字第116號函備查

Losses suffered by and/or Claims made against an Insured or Subsidiary may directly affect the financial result of the Named Insured. Therefore, in relation to any Loss or Claim to be paid under this policy, the Insurer shall settle the payment in US Dollars (\$) and directly to the Named Insured in United States, on the understanding that the losses of an Insured or Subsidiaries directly affect the financial result of the Named Insured.

This clause shall apply to any Loss suffered by or Claims made against the Named Insured or by any other Subsidiary or Insured located in Belarus or Russia.
