South China Insurance General Average Absorption Clause

110.05.07(110)華產企字第106號函備查

In case the assured chooses not to claim contributions from the other interests in a General Average, the Underwriters are, at the assured's option, liable either for:

- a) any loss, damage, liability or costs which would have been recoverable in the General Average up to _____ or;
- b) the ship's General Average contributions.

In addition, underwriters are liable for the fees and expenses of the claims leader and/or the appointed average adjuster.

The Adjustment in accordance with this Clause shall be based on the York-Antwerp Rules _____, excluding Rules XX and XXI.
