South China Insurance Joint Excess Loss Cyber Losses Clause

112.02.14(112)華產企字第 041 號函備查

1. Notwithstanding any other term of this Contract save for Clause 2 below, in no case shall this Contract cover loss, damage, liability, or expense directly or indirectly caused by or contributed to by or arising from the use or operation of an Information Technology Device as a means for inflicting harm.
2. Where this clause is endorsed on policies covering risks of war, civil war, revolution, rebellion, insurrection, or civil strife arising therefrom, or any hostile act by or against a belligerent power, or terrorism or any person acting from a political motive, Clause 1 shall not exclude losses which would otherwise be covered arising from the use of any Information Technology Device in the launch and/or guidance system and/or firing mechanism of any weapon or missile.
3. Where the use or operation of an Information Technology Device was not used as a means of inflicting harm, any ensuing loss, damage, liability or expense shall be excluded unless a physical peril named in the Information Technology Hazards Clause within JELC CL432 (16/10/2017) was also a significant cause of a loss. In such case this Contract shall cover the loss, damage, liability or expense in accordance with but only to the extent provided for in that Clause, whether that Clause forms part of this Contract or not.
4. For the purposes of this clause, an Information Technology Device shall mean any computer system, hardware, software, programme, code, data, process, virus, information repository, microchip, integrated circuit or similar device in or connected with computer equipment or non-computer equipment, whether the property of a direct insured or not.
