### South China Insurance Cancellation Clause (3)

102.03.28(102)華產企字第 095 號函備查

This policy may be cancelled by either party giving to the other thirty (30) days previous notice in writing of the intention to determine.

Cancellation shall become effective on the expiry of the appropriate number of days from midnight of the day on which notice of cancellation is issued by or to the Underwriters but shall not apply to any transit insurance which shall have been declared or attached in accordance with contract terms and conditions before the cancellation becomes effective.
