South China Insurance Container Clause (1)

110.01.14(110)華產企字第025號函備查

Where cargo, insured hereunder, is carried in containers, it is agreed, as between the Assured and Assurers, that the seaworthiness and/or cargo worthiness of the container is hereby admitted.

It is further agreed that to the extent that cover for shortage is provided hereunder, claims for shortage from a sealed container shall not be invalidated by the fact that seals appear intact upon arrival.

Shortage in this context shall be determined as the difference between the number of packages loaded or alleged to have been loaded per the shippers or suppliers invoice or packing list and the tally made by the Assured and/or their agents of packages removed at the time the container is unloaded.
