South China Insurance Institute Time Clauses - Hulls Part Removed Clause

100.09.23(100)華產企字第700號函備查

This insurance is extended to cover loss of or damage to parts removed from the Vessel whether such parts are ashore and/or under repair and/or in transit and where such loss or damage is caused by a peril insured under this insurance, subject in all other respects to its terms, conditions and exclusions. The Underwriters' liability for such parts removed which are covered under this clause shall not exceed ___% of the insured value of the Vessel.

If at the time of loss of or damage to the parts removed from the Vessel such parts are covered by or would be covered by any other insurance but for this clause, then this insurance shall only be excess to such other insurance.

Cover in respect of parts shall be limited to ___ days whilst removed. Period in excess of ___ days held covered at terms to be agreed provided notice be given to the Underwriters prior to the expiry of the ___ days extension.
