The (Re)Insured undertakes that premium will be paid in full to _____ within the number of days specified in the Premium Payment Terms (or, in respect of instalment premiums, when due).

If the premium due under this certificate has not been so paid to _____ within the agreed timescale (and, in respect of instalment premiums, by the date they are due) the Underwriters shall have the right to cancel this certificate by notifying the Insured via _____ in writing. In the event of cancellation, premium is due to _____ on a pro rata basis for the period that the Underwriters are on risk but the full certificate premium shall be payable to the Underwriters in the event of a loss or occurrence prior to the date of termination which gives rise to a valid claim under this certificate.

It is agreed that _____ shall give not less than ___ days prior notice of cancellation to the Insured.
