If, by the terms of this policy, coverage is provided for loss due to theft, it is understood to include the unexplained disappearance of packages or other shipping units from containers; whether said containers arrive at final insured destination with original seals intact or not.

It is a condition of this insurance that the Assured shall render all reasonable assistance to the Company in subrogating against the party and/or parties responsible for any loss paid under this clause.

It is further condition of this insurance that the Assured shall not divulge the existence of the insurance provided by this clause to anyone outside the Assured's organization. Violation of this condition shall void the insurance provided by this clause as respects containers which arrive at final insured destination with original seals intact.
