In the event of a claim for loss or damage to any part of the insured goods caused by a peril covered under this clause, the amount recoverable hereunder shall not exceed such proportion of the cost of replacement or repair of such part or parts as the insured value bears to the value of insured goods in sound condition (on the date of attachment of cover hereunder in respect of the insured goods), plus additional charges (including Duty, if applicable) for forwarding and refitting the new part or part of parts if incurred.

Provided that in no case shall liability of Assurers exceed the insured value of the insured good.
